Notes:

- [1] Student's portfolio and/or other academic attainment may be considered; the final decision of the granting of scholarships rests with the College and is dependent upon availability of funds.
- [2] Recipients of renewable scholarships are required to achieve a Year GPA of 3.0 or above to be considered for scholarship renewal. Recipients are subject to all other relevant rules and policies related to renewable scholarships. Recipients with active demerit will not receive renewable College scholarships regardless of Year GPA.
