## Student Exchange Programmes 2026-2027

### Application Schedule

First application round		
Year	Date	Activity
2025	10 October (Fri)	Online application opens
	2 November (Sun)	Online application closes
	End November / Early December	Interview
2026	28 January (Wed)	Placement result announcement via email
	2 February (Mon)	Deadline for accepting placement offer (incl. submission of acceptance document, family consent and a deposit)
Second application round*		
2026	6 February (Fri)	Online application opens**
	19 February (Thu)	Online application closes**
	End February or Early March	Interview
	Mid March	Deadline for accepting exchange offer and submitting acceptance documents (incl. deposit)

#### **Remarks:**

\* The second application round will only be available if there are remaining College-based exchange programme quotas.

\*\* To apply, please complete the **online application form:**  
<https://cloud.itsc.cuhk.edu.hk/webform/view.php?id=13726650>

# Important Notes for Applicants

*(Please read carefully before application.)*

## 1. Exchange Period

- a. Ideally, undergraduate students with have good academic and good disciplinary record at CUHK, should go on exchange during their second and third year of undergraduate study.
- b. According to the [Regulations Governing Full-time Undergraduate Studies](#), CUHK students who have satisfied all graduation requirements shall graduate (Regulation 12.1). **Students are strongly recommended to plan in advance for their academic studies so as to go on exchange before earning all credit units required for CUHK graduation.**
- c. Students should refer to the CUHK Undergraduate Student Handbook to check the credit unit requirements of their enrolled CUHK undergraduate programme and other requirements for graduation, decide how many course units they plan to enroll in each academic term and apply for to go on **exchange BEFORE earning all credit units required for graduation.**
- d. Graduating students with an expected graduation date on 31 July or 31 December 2026 (as shown on CUSIS in February 2026) can apply for a term-time exchange taking place after their expected graduation date, they would be given a conditional offer (if any) subject to the following conditions:
  - (i) they have not enrolled or completed courses for earning all credit units required for graduation before going on exchange and
  - (ii) their application for extension of study period are approved by the Registration and Examinations Section (RES). Application for extension of study period from students who may/would have earned all credit units required for graduation prior to going on exchange will normally not be approved.
- e. Students who intend to go on exchange after their expected graduation date can only apply for exchange for one academic term taking place immediately after their last active academic term (excludes summer term) at CUHK.

## 2. Maximum Cumulative Period of Exchange

Throughout the study period at CUHK, each student can go on exchange for a maximum of one academic year, i.e. exchange(s) in two regular academic terms offered by any CUHK unit(s) plus one university-wide summer exchange offered by the Office of Academic Links (OAL).

## 3. Course Load Requirements during Exchange (For Undergraduates)

- a. For each academic term (or a study period equivalent to a CUHK academic term), students are **required to take courses equivalent to at least nine (9) CUHK course units and obtain passing grades from six (6) units of courses (or equivalent).** Students should also meet the minimum course load requirement of the host institution. Failure to do so may cause complications to graduation from the current enrolled CUHK undergraduate programme and/or 100% repayment of financial subsidy provided through OAL and the College.
- b. Students are highly recommended to **seek pre-approval from major and/or relevant CUHK department/programmes on the transferability of credit units** from host institutions to their studies at CUHK **prior to their application**, especially for students intended to meet the graduation requirements with the transferred credit units. Final approval for courses and unit exemption will only be given after the official transcript is received from the host institution with acceptable grade(s) for the course(s) concerned.
- c. Students planning to go on **exchange in their final academic term** should note and take into consideration that their graduation may possibly be affected should the official transcript not reaching RES by the specific deadline for record and seeking approval for course and unit exemption (if applicable) to meet the degree conferment date. Actual deadlines will be released by RES in due course. An official transcript is an essential document for course and unit exemption. In general, it takes at least two months for the host institution to issue the official transcripts after the exchange programme ends.

#### 4. **Credit Transfer**

Students are advised to approach relevant CUHK academic departments which have full autonomy to determine which credits of courses taken abroad could be transferred to CUHK.

Students are strongly encouraged to visit the host institution website, gather relevant courses information and discuss with their academic advisor on their study plan as early as feasible. Please finalize the choice of programmes prior to the exchange application.

#### 5. **English Language Proficiency**

- a. Those programmes are marked with # on the **'Exchange Programme Requirements' table** mean TOEFL or IELTS scores are mandatory.
- b. Students must meet the respective English proficiency requirements with a TOEFL or IELTS overall score and sub-scores from one test attempt that took place on or after 1 September 2024. Otherwise, students will NOT be considered as eligible applicants for the exchange programmes.
- c. TOEFL MyBest Scores and the result from IELTS One Skill Retake are not acceptable.
- d. If the TOEFL/IELTS score report (if any) is no longer valid, students are still required to submit the report for the exchange application for reference purpose. If needed, please arrange to retake the TOEFL or IELTS test to fulfil the host institution requirements. In view of the limited available timeslots for IELTS or TOEFL tests, students should schedule to take/re-take a test as soon as possible and **submit valid result by mid-March 2026**.
- e. **Some host institutions set the valid period of TOEFL/IELTS scores at 24 months prior to the commencement of exchange period**. It is students' responsibility to ensure their TOEFL/IELTS scores meet the requirements set by the host institution and sit for a TOEFL or IELTS test again for meeting their host institution's requirement if needed.
- f. For students who wish to go to United Kingdom to exchange, they are recommended to sit for IELTS (UKVI Academic) test to fulfill UK (Tier 4) student visa requirement. Further information on the approved test can be referred to the [British Council Hong Kong website](#) and the [UK Visas and Immigration website](#).
- g. When submitting the TOEFL/IELTS score report, please ensure that the candidate full name, test date and scores are clearly shown.
- h. For programmes with TOEFL or IELTS requirements but without #, students will be required to provide a valid TOEFL or IELTS score when they submit their application to the host institution after being nominated.

#### 6. **Other Language Proficiencies**

For those who would like to select an exchange programme that requires proficiency in other languages, they must indicate in the online application form that they have a proficiency level no less than one level lower than the specified requirement (e.g. if the requirement is German – Intermediate, you must indicate that you have at least the proficiency of elementary German). Otherwise, application for that particular exchange programme will not be considered.

For more information about European languages, please refer to the [Common European Framework of Reference for Languages \(CEFR\)](#).

#### 7. **Financing Your Exchange**

The fees for a typical exchange programme include CUHK tuition, CUHK and College Student Union fees (for undergraduate students only), accommodation (CUHK, host university or private rental depending on the programme structure), health and travel insurance, meal plan, student visa, books and stationery, personal expenses, cultural activities, transportation, warm clothing (for some destinations), and airfare.

Students may apply for financial support under CUHK Student Exchange Financial Aid and Scholarship Scheme (FASS) and EDB Subsidy Schemes. For details, please visit OAL website at <https://www.oal.cuhk.edu.hk/scholarshipsandfinancialaid>.

The College also has Travel Grants made available to students who face financial difficulties. For details, please refer to the College's weekly notices in late January and/or reference last year's weekly notices to plan ahead.

## **8. Application and Placement Result**

Applicants are required to complete the online application form by the application deadline of 19 February 2026 and attend an interview scheduled for end February or early March 2026.

Exchange nomination results (both OAL and College) will be released in mid-March 2026.

If students receive more than one exchange nomination offer. Students can only accept one offer either from OAL, College or other Unit of CUHK.

For accepting College Exchange Programme, nominees are required to submit acceptance documents (i.e. Acceptance Form, Family Support Form and a deposit) by the mentioned deadline. They are then required to send their exchange application to the host institution. The application period of the host institution varies from February to May for Term 1 and Full Year exchange, and from May to October for Term 2 exchange.

Please note that the final decision on the acceptance of exchange application rests with the host university.
