## Important Notes

### 1. TOEFL/ IELTS

- a. Only TOEFL/IELTS scores from tests on or after 1 September 2017 are valid for the application.
- b. For programmes marked with #, students must have a valid TOEFL/IELTS score (including overall score and sub-scores, if applicable) before the deadline for accepting the choice of programme. Otherwise, students will NOT be considered as eligible applicants for that particular programme.
- c. For students who wish to go to United Kingdom to exchange: Students are recommended to sit for IELTS (UKVI Academic) test to fulfill UK (Tier 4) student visa requirement. Further information on the approved test can be referred to the British Council Hong Kong website <https://ielts.britishcouncil.org.hk/iorps/html/registration/selectExamTypeServlet.do?vEngine> and the UK Visas and Immigration website <https://www.gov.uk/tier-4-general-visa>. This requirement table will be updated from time to time to reflect relevant change(s) to the individual programme's IELTS requirements.

### 2. Non-English Language Requirements

- a. Students must have the proficiency level which is at least one level lower than the specified requirement (e.g. if intermediate level is required, students must have elementary level at the time of application.) By the time students participate in the exchange programme, they should fulfill the specified requirement.
- b. To define level of proficiency, please see below.

As all final year students must submit a duly completed application form for extension of study period before the commencement of their expected graduation term, students who are expected to graduate in the 1st term of the current academic year (i.e. 2018-19, Term 1) are ineligible to apply for exchange programmes.

#### **4. Final Year Students**

- a. Students with expected graduation date (31 July 2019) are categorized as final year students.
- b. Final year students who are shortlisted MUST submit the “Application for Extension of Study Period” form to seek their major Department for pre-approval of extension of study period at CUHK.
- c. Final year students cannot choose the 2nd term programmes.
- d. If final year students apply for exchange programmes offered by both College and OAL, they are required to separately submit the “Application for Extension of Study Period” form to College ([click here for College form](#)) and OAL by **19 February 2019**.
- e. If students accept the College offers, their forms will be forwarded via the College to the OAL and then to Registration and Examinations Section (RES) for record.

#### **5. Maximum Exchange Period**

CUHK full-time students are only allowed to go on exchange for a maximum of one academic year (i.e. two regular terms plus one u-wide summer exchange)

#### **6. Placement Result**

Students can only accept one offer either from OAL or College for the same exchange period.

#### **7. Minimum Course Load Requirement During Exchange (Undergraduates)**
